At Rib Hut one of the things we pride ourselves on is our wide variety of beers. We often carry seasonal beers that are not included on our menu as well as some limited batch brews that may only be in our coolers temporarily. Ask us about what we've got today, it might be your lucky day.

All burgers are cooked to medium well unless by customer request. Consuming raw or undercooked eggs, poultry, seafood and meat may increase risk of food borne illness. We reserve the right to refuse service to anyone, so be nice.
